- 1.5 Payroll customer mean individual customer who use the bank's saving account to receive salary from employer's the bank's corporate account via the bank's payroll system.

**2. Conditions for interest payment**

- 2.1 Interest Payment Calculation Method  
The formula of interest calculation 
$$= \text{Principle} \times \text{Interest Rate}(\%) \times \text{number of deposit days}$$

360 or 365 (as the case may be based on the selected currency)

According to the international standard and practice, number of days in 1 year of each currency is shown below;
  - USD, EUR, CNY to be counted 360 days
  - SGD, GBP, HKD to be counted 365 days
- 2.2 The bank may consider increase the interest payable to customers as deemed appropriate on case by case basis.  
The bank may considering the business relationship or the value that such customer has or will have with the bank, or the bank's business strategic plan according to the market competition or the need to raise bank deposits at the time but not exceed 3.50 percent per annum from the deposit interest rate that the bank pays to depositor according to the type of customer/customer group that the bank determines, deposit type and the deposit period.
- 2.3 For saving deposit account, the bank calculates interest on semi-annual basis and pay interest to the customer on 15th June and 15th December of every year

**Conditions for Fixed Deposit**

- 2.4 The bank will pay interest once at the end of the deposit period.
- 2.5 Premature withdrawal of a fixed deposit before the due date, the interest payment are as follows;
  - 2.5.1 Fixed deposit term of 1 month and 3 months for individual and juristic person, **No interest payment**
  - 2.5.2 Fixed deposit term of 6 months, and 12 months for individual and juristic person deposited less than 3 months, **No interest payment**
  - 2.5.3 Fixed deposit term of 6 months, and 12 months for individual and juristic person deposited not less than 3 months, interest payment shall be made equal to the savings deposit interest rate on the deposit date or deposit renewal date and deduct withholding tax (if any).
- 2.6 For partial withdraw on principle of fixed deposit before the due date, the remaining principal amount in fixed deposit accounts for 1 month, 3 months, 6 months, and 12 months for individual and juristic person deposited until the due date, the bank pay interest equal to the fixed deposit interest rate specified on the deposit date or the date of renewal of the deposit.  
For the principal amount of fixed deposits that has been partially withdrawn before the due date, **No interest payment.**
- 2.7 For renewal of fixed deposits, upon the maturity of the fixed deposit period, If the depositor does not withdraw money or provide no further instruction, it shall be considered that the depositor wishes/agrees to renew fixed deposit term with the same period of the latest deposit term, the interest rates and deposit conditions shall be as announced by the bank on the starting date of the new fixed deposit.

**Other important condition**

**Principle and interest of Foreign Currency deposit account is not protected by Deposit Protection Agency**
